

# Family Trees

By Torah Umesorah Educational Resource Center – Brooklyn, NY

**Lesson Source: Mrs. E. Englander**

**Grade Level:** Middle School

## **Description:**

A series of clearly formatted charts, both blank and filled in, with family trees for the shevatim, the avos and imahos, the generations from Adam to Avraham and Shevet Levi. Includes a version in Yiddish. The charts can be used in chumash, parsha or yedios klalios lessons to help students identify family relationships.

## **Goals/Objectives:**

Students will identify and list the names of important people in *Tanach* and will recognize family relationships between individuals in *Tanach*.

## **Materials Needed:**

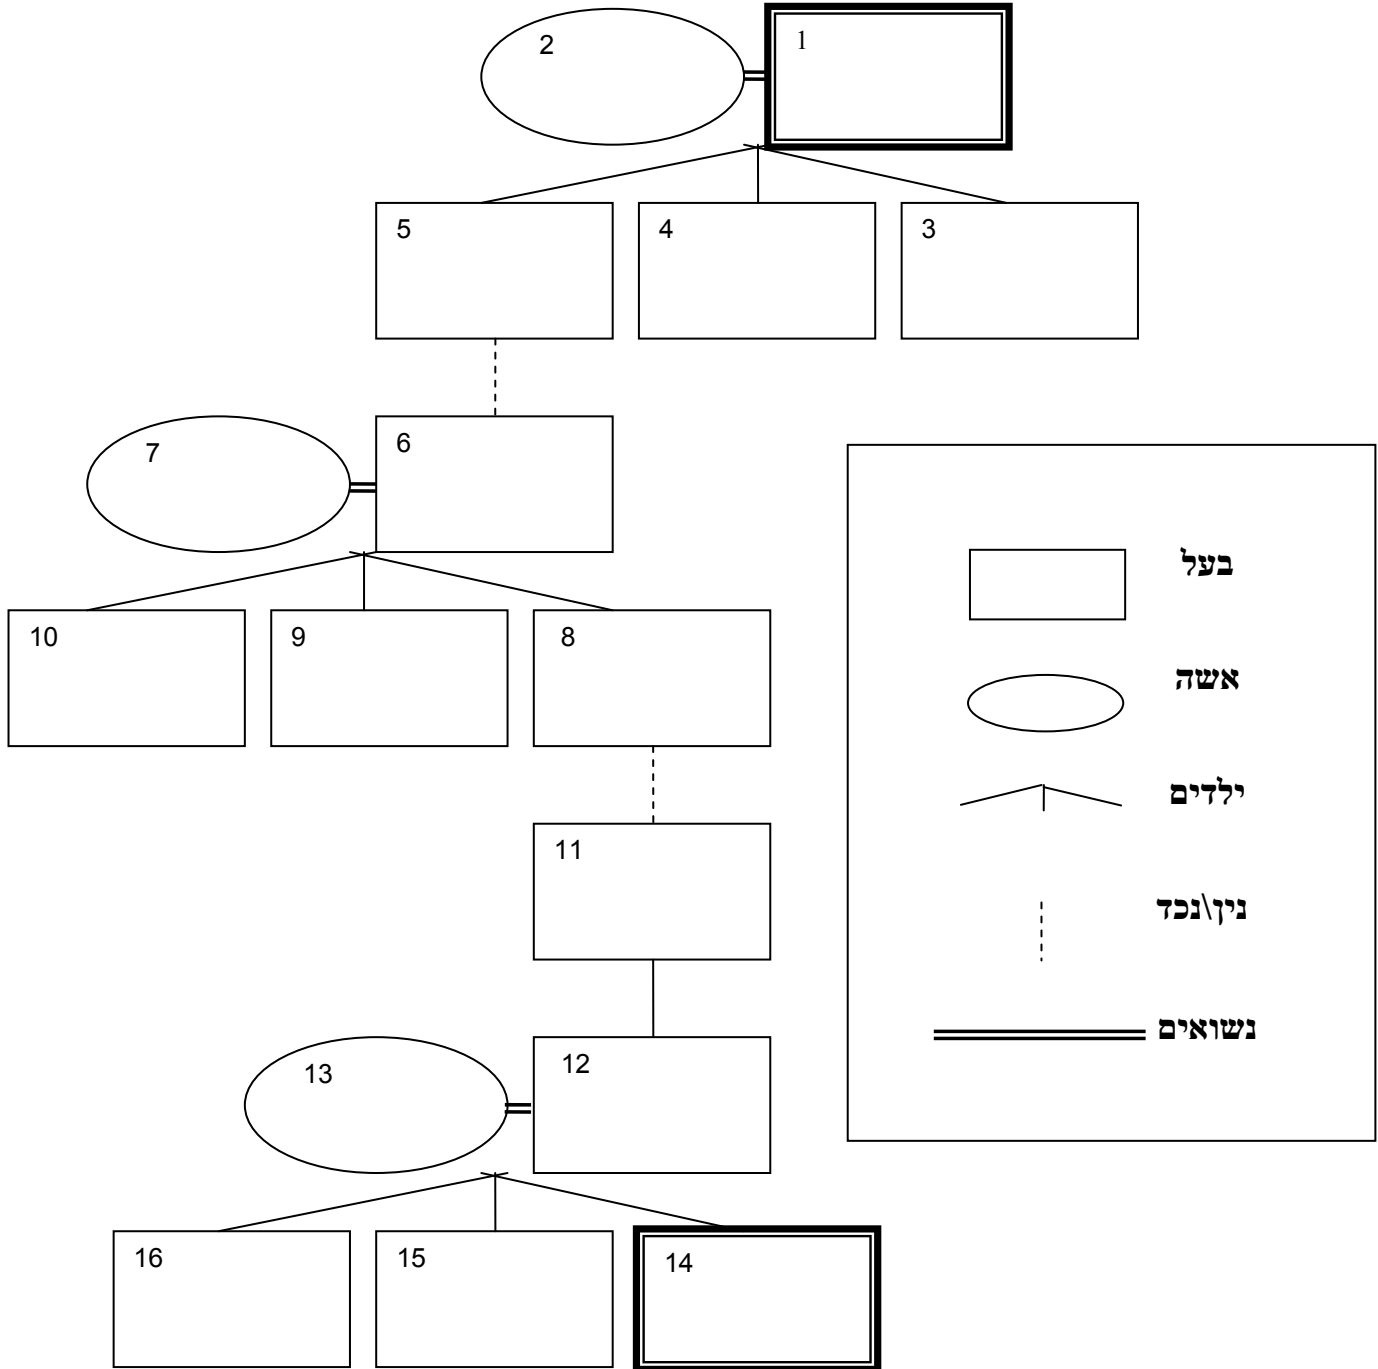

- Family tree(s)- sheets enclosed  
*Adam to Avraham Avinu*  
*Avos and Imahos*  
*Shvitai Yisroel*  
*Mishpachas Levi*
- Colored file folder (for each student)

## **Instructions:**

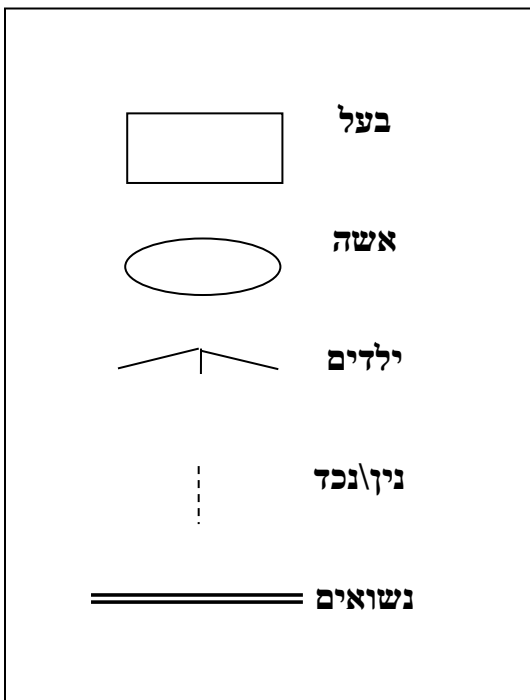

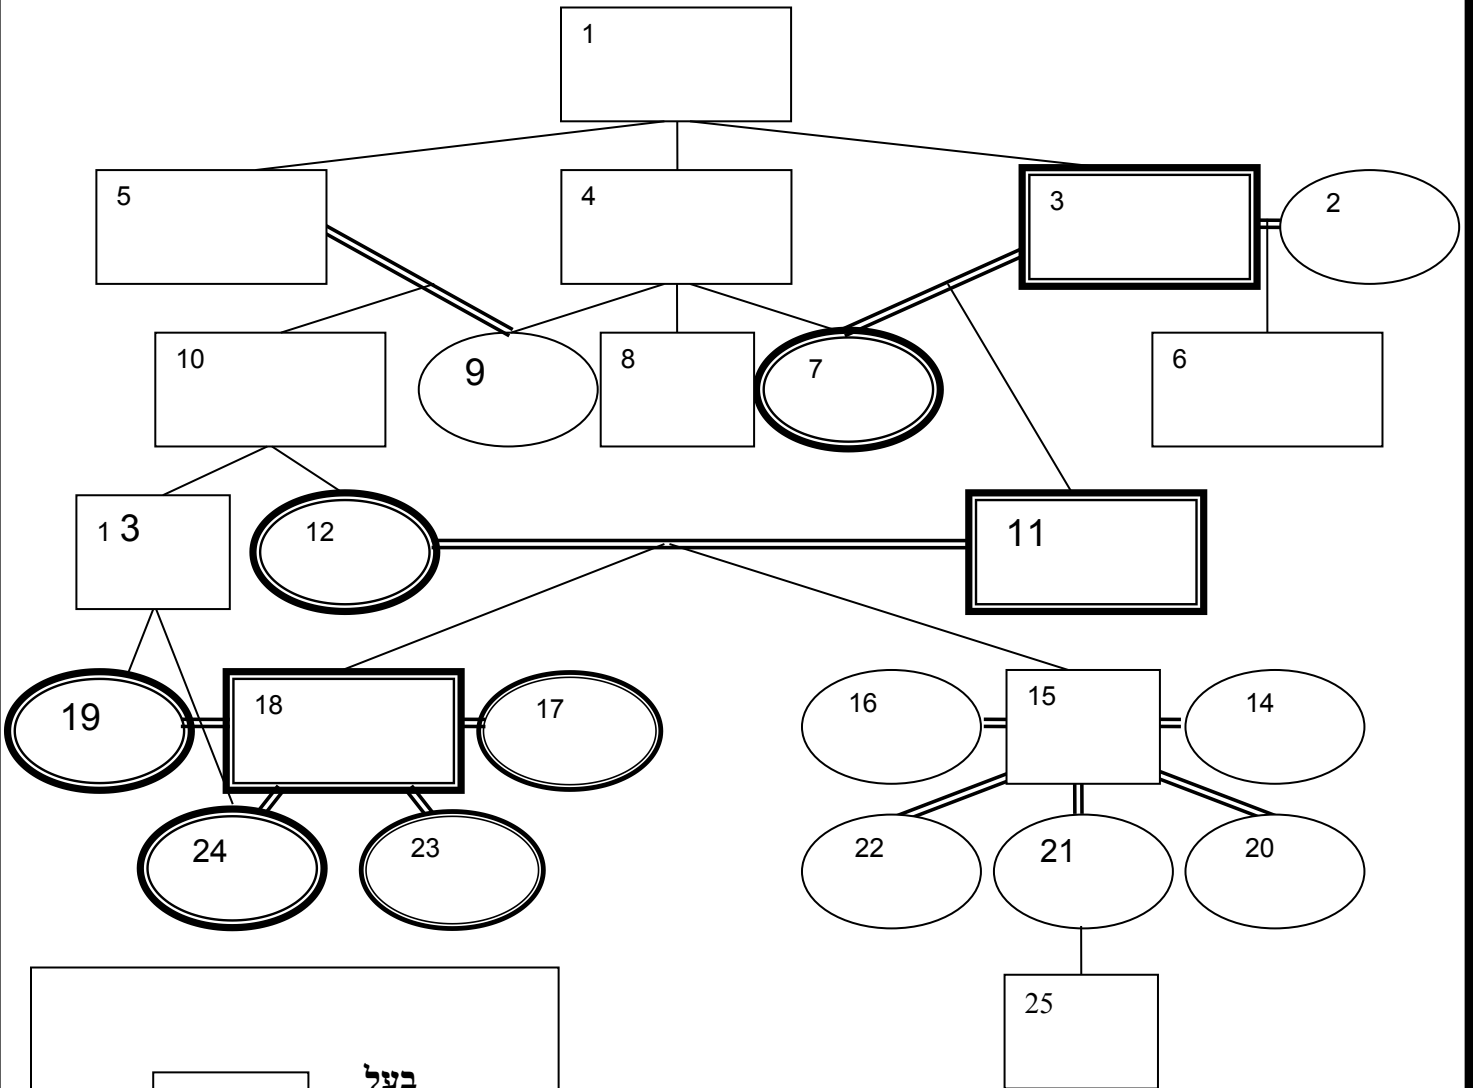

1. Teacher fills in the chart with the class (can be done on an overhead projector)
2. The #'s in the family tree can be used to identify specific people.
3. More advanced students can use the chumash to find the names and then fill in the charts on their own.
4. Students keep this folder at their desks or in their loose leaf for reference throughout the year
