

פרק ב' יט"ו

יהי כבוד חברך חביב עליך כשלך

Let the honor of your friend be as dear to you as your own honor

Chorus: ואהבת לרעך כמוך זה כלל גדול בתורה

Do to others as you want done to you, be a friend to every Jew

The world would be a scary place, if you didn't see a friendly face

A friend is someone who wants to share someone who's there to care

Chorus

(Tune: כי אתה הוא מלך מלכי המלכים)

פרק ג' יח'

ה' gave us each a different personality, some are more quiet and others more lively

But no matter what your talents might be, just make sure to use them properly

ה' gave to you - to Him you owe

Whatever you're good at, or like to do, use it for ה' & He'll be proud of you

(Tune: It's a small world after all)

פרק ג' ט"ז

A smile goes a very long way

It can so easily make another person's day!

So brighten up your face and smile to every Jew

You can't even imagine how much a smile can do!

(Tune: לשנה הבאה)

פרק ד' א'

איזהו חכם הלומד מכל אדם

To consider yourself smart you must learn from everyone

Young and old, children, adults, women and men

If you look around there's something you can learn from each of them

איזהו גיבור הכובש את יצרו

Do muscles make you strong and brave? The תורה says, "no! no!"

I am quite strong and powerful and very full of might

When I tell my הרע, "I'd rather do what's right"

איזהו עשיר השמח בחלקו

Does gold and money make you rich? The תורה says, "no! no!"

No matter what you have if you still want more and more

Then even if you have a lot you're really very poor

איזהו מוכבד המכבד את הבריות

If you want to be honored, you must do so to your חבירות

People will think you're great and honor you

If you look up to other and respect each and every Jew

(Tune: עוד ישמע)

פרק ה',

I must remember very clearly that anything that happens to me
 הקדוש ברוך הוא wants it to be and I will accept it happily
 So when something goes wrong and I am angry, I will count to 10
 immediately

1 - 2 - 3 - 4 - 5 - 6 - 7 - 8 - 9 - 10, "NOW I AM HAPPY ONCE AGAIN!"

פרק ו', ט'

איני דר איני דר אלא במקום תורה איני דר איני דר אלא במקום תורה
 איני דר איני דר אלא במקום תורה איני דר איני דר אלא במקום תורה

פרק א', י"ב

שלום is peace and שלום's the way, a רודף שלום seeks peace everyday
 He always is quick to forget and forgive, cuz that's how ה' wants us to
 live

פרק ב', כ'

We wake up in the morning, Oy' there is so much to do
 We're so busy eating, sleeping, studying, and talking too
 Why don't we stop and notice, the minutes are ticking away
 That clock is there to remind us, "Don't waste another day!"
 היום קצר והמלאכה מרבה
 Don't push it off again, get up and do that מצוה
 Fill your days with diamonds and all kinds of precious stones
 Yes, fill your time with תורה, תפילה and מידות טובות
 היום קצר והמלאכה מרבה
 Yes we'll do the most we can and be עולם הבא to זוכה

(Tune: לבנימין אמר)
