

# Hakaras Hatov for the Creation of the World

By C. Fried and M. Dilman of Bais Yaakov of Midwood

**Grade Level:** Early Childhood, Elementary, Middle School

**Description:**

This amazingly professional 10 minute video clip presents each of Hashem's creations during Sheishes Yemei Bereishis as a gift for which we owe our gratitude. The presentation is mainly in English with some Ivrit, and features stunning clips of various aspects of creation. This clip may be helpful when teaching Parshas Bereishis, as an introduction to a unit on Shabbos, or as part of a Hakaras Hatov unit. File #2 is a .wmv file which you need to download to view the video clip (a large file and will take time to download).

**Goals/Objectives:**

Students will watch a video describing what Hashem created on each day of creation.

**Materials Needed:**

- Computer
- Projector

**Instructions:**

1. Present the video to the students.
2. Discuss the video when it is over.
