LIKOVOD SHABBOS SONG

Tune: Kol Hamispallel (Yeshiva Boys Choir)

Lyrics: Morah S. Kruger

Outside its almost evening

Inside the food is steaming

The flames of Shabbos gleaming fill my home

See the sun go down, the days of חול this week are gone

The table looks so nice, I have my Shabbos clothes on

Kedusha's in the air, the men in Shule are *davening*

The guests have all arrived, and everyone is singing

שלום עליכם מלאכי השרת

The gift of Shabbos brings a smile to each face

מעין עולם הבא, יום זה מנוחה

I feel *Hashem* is with me on this day of *simcha*

יום זה מכובד מכל ימים

Fish, soup and chicken, וכל מטעמים

Zemiros, special stories, and learning *Torah*I feel *Hashem* is with me on this day of *simcha*

Outside its almost evening

Inside the food is steaming

The flames of Shabbos gleaming fill my home
